

## 2<sup>nd</sup> IEEE WOMEN IN ENGINEERING INTERNATIONAL SYMPOSIUM

15-17 December, Agadir, Morocco 2020

<http://wie.ieee.ma/>

## CALL FOR SPEAKERS

After the success of the IEEE WIE International Leadership Summit'18, which took place in Marrakech, the IEEE Morocco WIE affinity group is glad to announce the organization of the 2<sup>nd</sup> IEEE WIE International Symposium which will be held alongside the 6th IEEE CiSt Congress <http://www.ieee.ma/cist20> on December 15 – 17 2020 in Agadir, Morocco.

The main objective of the symposium is to provide an exclusive platform for female researchers, professionals and innovators to connect, learn from each other, share their knowledge and create an inclusive community that commonly innovates to the benefit of the society, and equally promotes the sense of collaboration and leadership.

### Speakers Requirement & Skills

Scholars, educators, researchers, graduate students, thought leaders, and community organizers from all industries and disciplines are encouraged to apply. We welcome individual and group proposals. Formats include panels, workshops and presentations. Reacted topics include:

Unconscious Bias, Breakthroughs for Women, mentorship, Empowerment, Diversity, Inclusion, Business acumen, e-Media and Language, Economics, in addition to ICT related fields and applications like Software Agents, Mobile Computing, Cloud computing, Smart Systems, Computational Linguistics, Artificial Intelligence, Blockchain, and Robotics.

### How to apply:

Send via email a **2 pages proposal including an executive summary and your biography** to: [wie@ieee.ma](mailto:wie@ieee.ma)

Please write in the subject line "2020 WIE Morocco Talk Proposal".

An IEEE WIE IS'20 Speaker Certificate will be provided to the best retained proposals. The executive summaries will be published in our Abstract Symposium Book with an official ISSN.

### Additional Information

**Event type:** Workshop, panel lightning talk or presentation.

**Audience size:** 60-120
